

JOINT MOTION BY SUPERVISOR GLORIA MOLINA AND MICHAEL ANTONOVICH

**AMENDMENT TO ITEM NO. 25**

June 26, 2006

On April 18, 2006, the Board of Supervisors instructed the Chief Administrative Officer and the Sheriff to develop language for a Memorandum of Agreement (MOA) between the Board of Supervisors and Sheriff to specify how public safety personnel will be allocated for unincorporated areas. Residents of each of the unincorporated Communities must be assured that an adequate level of patrol and other law enforcement services are consistently provided and personnel are not shifted to other areas to meet other Sheriff responsibilities.

In order to expedite completion of a final MOA, and in order to increase accountability for these unincorporated residents, we have provided a Draft MOA to serve as a blueprint. The Board of Supervisors should request that the Sheriff immediately develop *Deployment of Personnel Forms* for each of the Unincorporated Communities specifying the number of deputies, patrol cars, supervisory support and other resources are necessary to achieve the *Scheduled Minutes* allotted to each Unincorporated Community in the June 1<sup>st</sup> 2006 *Los Angeles County Sheriff's Department Patrol Area Statistical Summary*. These *Deployment of Personnel Forms*,

along with a final MOA drafted by County Counsel, should be presented to the Board for final adoption on July 5, 2006, to govern the level of Sheriff services for each of the unincorporated Communities for fiscal year 2006-2007. The Sheriff should then be asked to perform Level I and Level II studies to determine the law enforcement needs of each Unincorporated Community, and develop new *Deployment of Personnel Forms* based upon that need, and available resources for the 2007-2008 fiscal years.

WE, THEREFORE, MOVE that the Board of Supervisors instruct County Counsel to present for adoption on July 5, 2006 a final MOA based upon the attached blueprint between the Board of Supervisors and the Sheriff, to govern the level of Sheriff services to be provided in each of the Unincorporated Communities. The Sheriff should be asked to present a specific *Deployment of Personnel Form* at a level of service necessary to meet the *Scheduled Minutes* allotted for each Unincorporated Community in the June 1, 2006 *LA County Sheriff's Department Patrol Area Statistical Summary*. The MOA and all of the *Deployment of Personnel Forms* will comprise the final MOA governing the deployment levels for 2006-2007.

WE, FURTHER, MOVE, that the Board of Supervisors ask the Sheriff to perform a Phase I study, an assessment of current and future patrol needs, taking into account current population and Part I and II crimes, and a Phase II study, which designs the deployment plan for each unincorporated community to fill that patrol need identified in Phase I, of each Unincorporated Community, to determine the staffing needs and to present the Board of Supervisors with amended *Deployment of Personnel Forms* for all the Unincorporated Communities for the 2007-2008 fiscal year. These studies should be completed and submitted to the Board of Supervisors in 180 days.
